HUMMING CLOUDS · NEAR NANDI HILLS

Six plots. One horizon.

Bungalow-sized land of about 6,000 sq ft each, with Nandi Hills sitting at the edge of your morning.

A KHATA · FROM THE TEAM BEHIND HUMMING VALLEY

Woken by sunrise, not a phone.

It is early, and I am standing barefoot on ground that is finally mine. Tea warms both my hands. Mist lifts off the hill in slow sheets, **and only I am awake to see it.**

THE REAL VIEW · SITE, OCT 2026

Nandi Hills on my horizon

No horns. No lift lobby. No neighbour’s balcony looking into mine. For years I rented someone else’s view. This morning, I walk toward a horizon of my own.

Weekdays belong to the city.

The weekends belong to me.

Close enough for my Friday-evening drive.
Far enough that I leave the week behind.

The rarest luxury is not being seen

6	Plots in all. Six households, and I know each by name.
0	Towers, shared walls or balconies looking into mine.

Somewhere past the last traffic light, your shoulders drop.

Head north on a Saturday morning. The road thins, the air changes, and Humming Clouds waits at the foot of Nandi Hills.

FROM THE INSIDE

Every room can face the hill

On 6,000 sq ft you choose the orientation. Put the bedroom where the sun rises over the granite, and wake up to it every day.

SIX PLOTS · SIX WAYS TO LIVE

Same hill. Six different mornings.

01 · THE REMOTE WORKER

Two screens, one window, and the hill in it

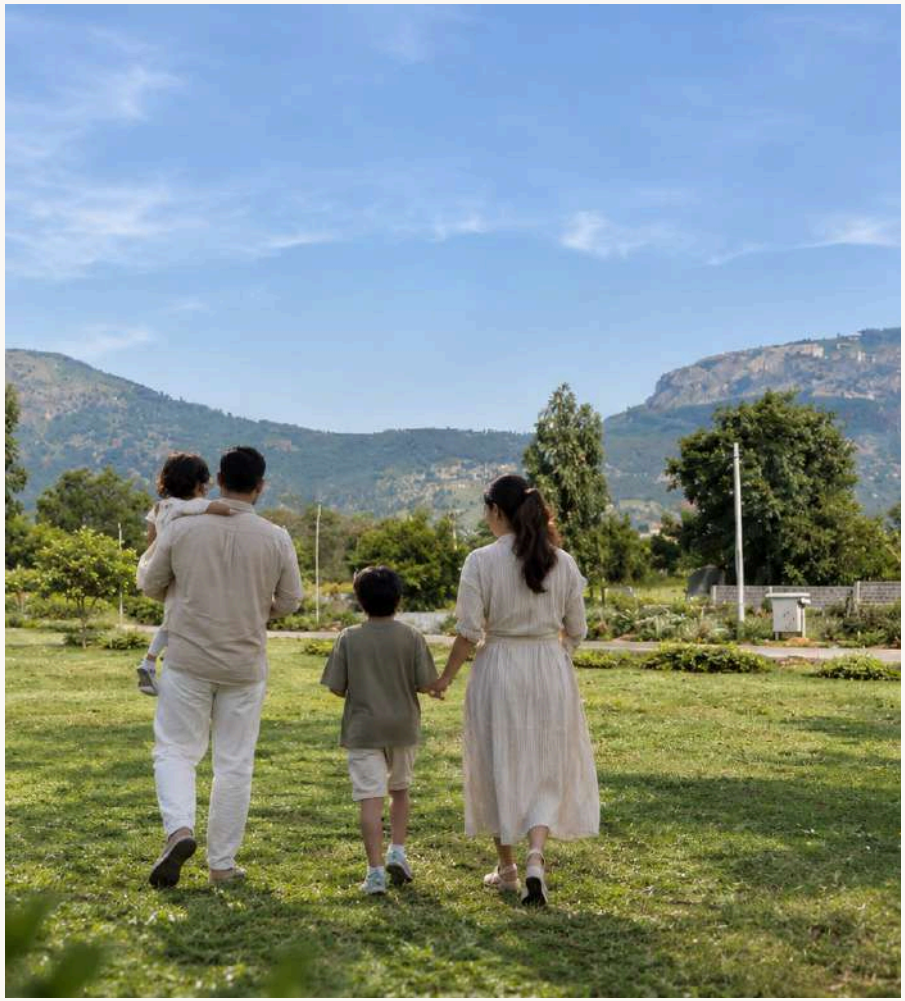

A desk that faces granite instead of a car park. Monday meetings feel different here.

02 · THE GROWING FAMILY

A childhood with a lawn and a hill

Children who know the names of trees, a short drive from school and the city.

03 · THE WEEKEND HOST

Friends drive up on Friday

The pool becomes the party and the terrace the dining room. Built as a guesthouse bungalow, it hosts others when I am away.

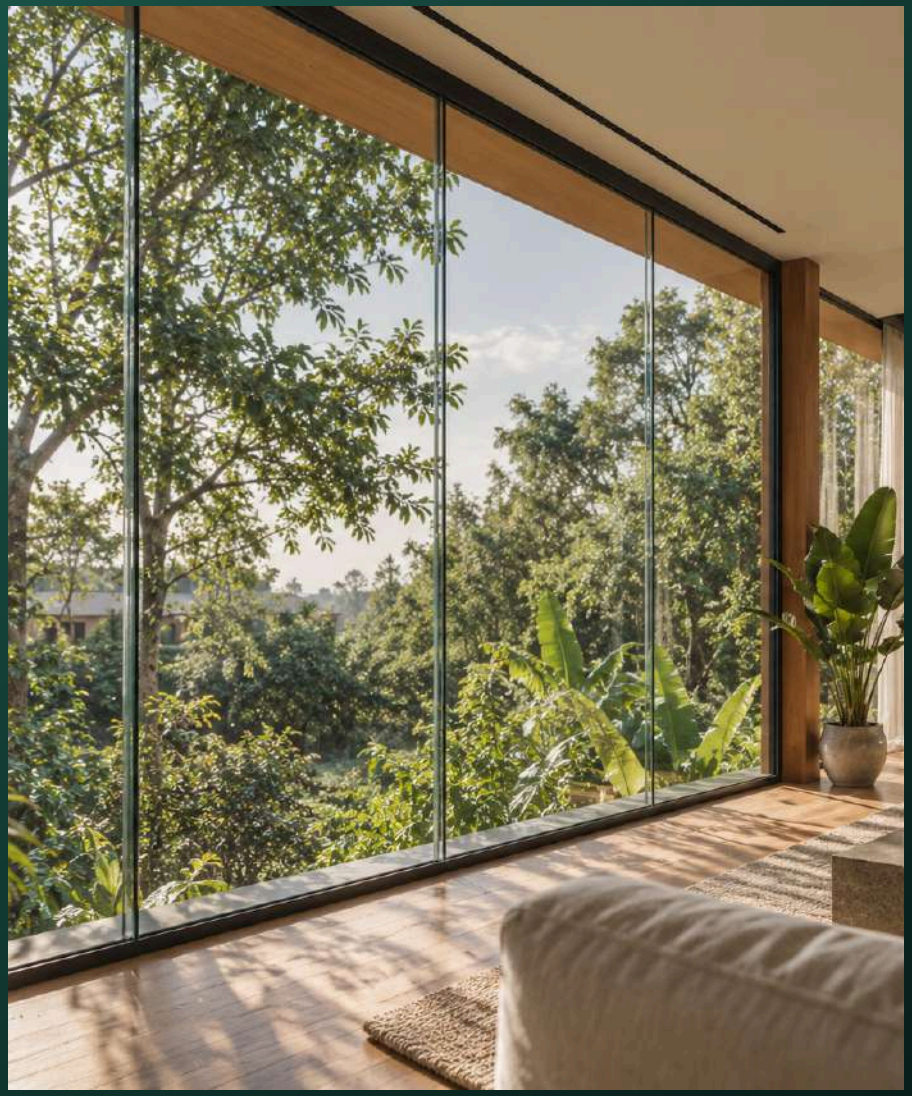

04 · THE SLOW CHAPTER

More sky than stairs

Evening tea as the light turns gold on the hill. A quieter pace after decades of the city’s.

05 · THE STUDIO

A room that gets the best light

For the painter, writer, actor or entrepreneur who thinks better away from noise.

06 · THE PATIENT HOLDER

Not everyone builds on day one

Hold land you can walk, see and visit, and build when the time is right.

04 · ROOM TO BREATHE

Six bungalow-sized plots

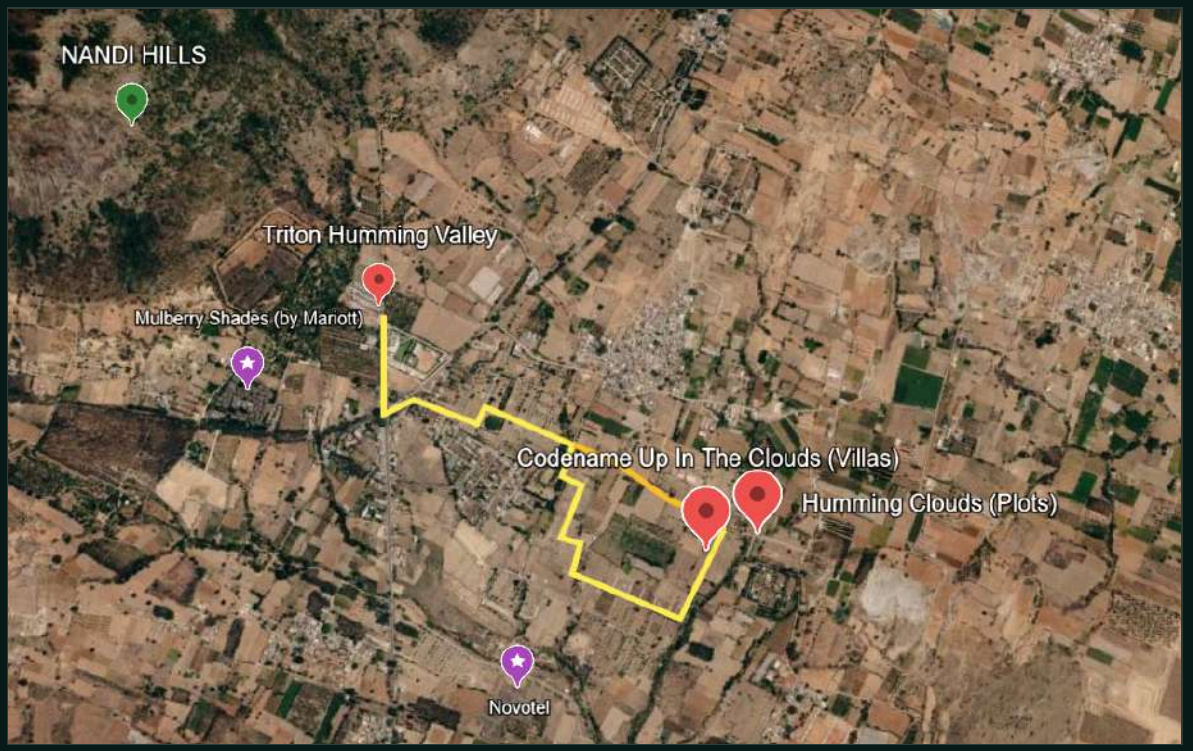

A standard 30 × 40 site in Bengaluru is 1,200 sq ft. Each plot here holds about five of them: the right size for a guesthouse bungalow, with a garden, a pool and quiet space between.

PLOT 1	PLOT 2	PLOT 3	PLOT 4	PLOT 5	PLOT 6
6,093 sq ft	5,972 sq ft	5,998 sq ft	6,013 sq ft	6,068 sq ft	6,167 sq ft
74′ 2½″ × 81′ 7½″	72′ 6″ × 83′ 1½″	71′ 6″ × 84′ 8″	68′ 10″ × 86′ 2½″	69′ 10″ × 87′ 9″	63′ 0½″ × 90′ 6½″

THE ADDRESS

At the foot of the hill, on a quiet road

NANDI HILLS · HUMMING VALLEY · HUMMING CLOUDS ROUTE INDICATIVE

01 NANDI HILLS

Tipu's Drop, the sunrise point, Bhoga Nandeeshwara Temple, Skandagiri trek and the vineyards on the hill road.

02 HUMMING VALLEY

Triton's 30-villa community a short drive away, with a private 15 ft indoor waterfall, jacuzzis, an infinity pool and a clubhouse.

03 BOUTIQUE STAYS

Kailasa Cottages, Mulberry Shades and The Orchid already host weekend guests nearby.

MAP FOR ORIENTATION ONLY, NOT TO SCALE

Ramaiah Leena Hospital	Multi-speciality

WHAT COULD BE BUILT

Build the home you have been sketching for years

A villa is someone else’s design. This is a blank page of about 6,000 sq ft. Your layout, your materials, your pace.

YOUR WAY

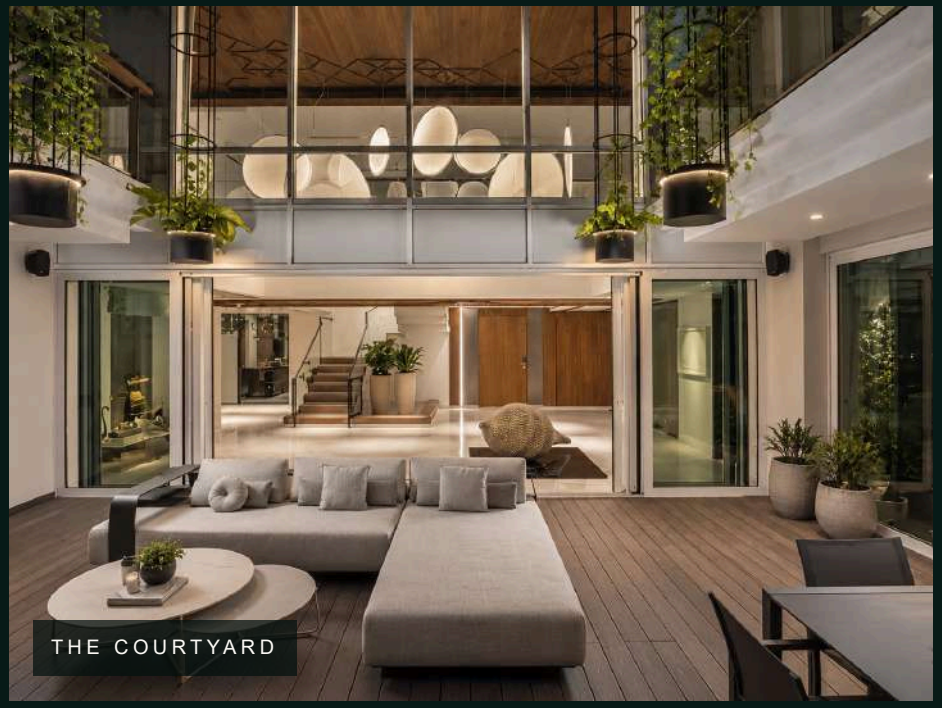

Bring your own architect and builder, and build to your own timeline.

OR OURS

On request, Triton can build your home for you, with the team that is building Humming Valley.

A pool. A courtyard. A ceiling two floors high.

The scale of a true bungalow, which most city plots cannot hold.

THE COURTYARD

DOUBLE-HEIGHT LIVING

THE TERRACE

THE ROOFTOP POOL

WARM WATER, COOL AIR

THE FORMAL LIVING ROOM

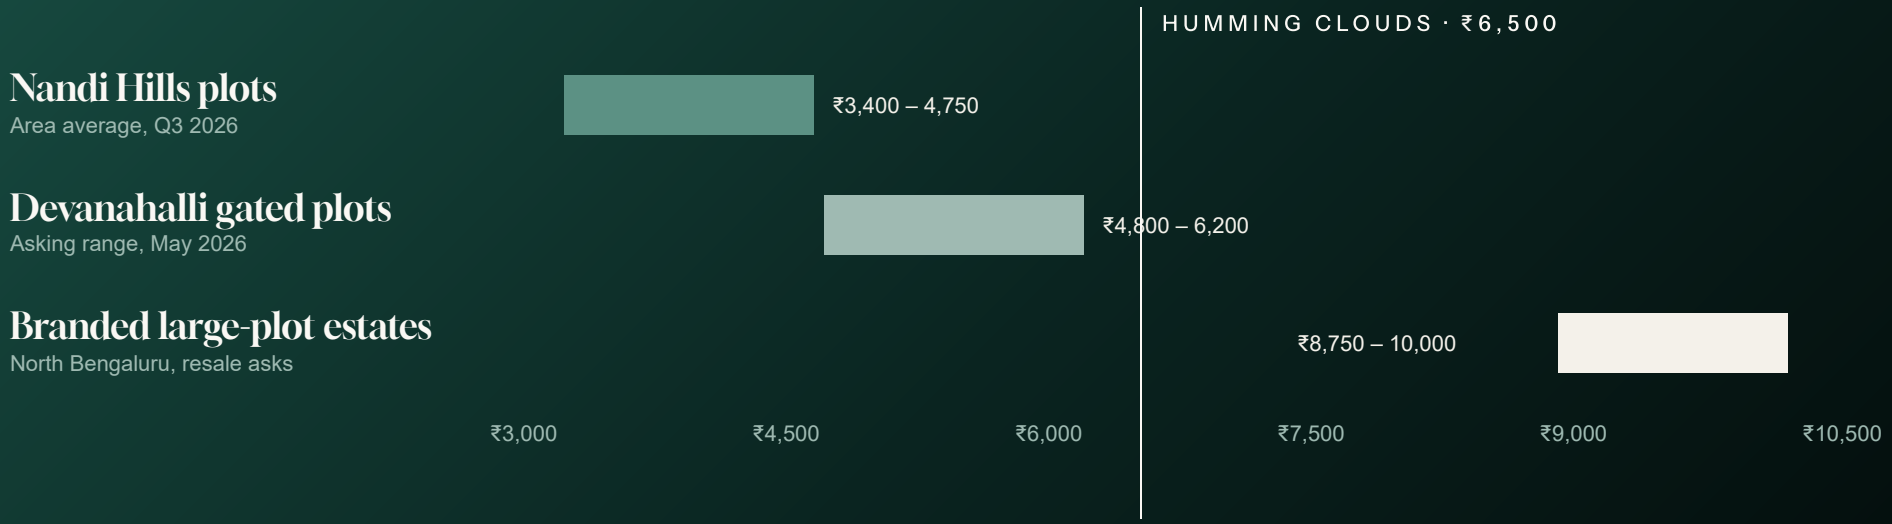

We already know this valley

Triton is building Humming Valley, 30 Bali-inspired villas at the foot of the same hill. Humming Clouds is our next chapter here.

30	Dec 2026	15 ft
VILLAS	POSSESSION	INDOOR WATERFALL

Where this land sits in the market

For those who weigh land as an asset as well as an address: published asking prices for plots around the hill and the airport belt, per sq ft.

SCARCE BY SIZE

Most plots advertised near Nandi Hills are 1,200 to 2,400 sq ft. Bungalow-sized parcels of about 6,000 sq ft are rarely offered.

A WEEKEND ECONOMY

The hill draws Bengaluru every weekend, and boutique stays already operate nearby. Each plot suits a guesthouse bungalow. Short-stay hosting is subject to local rules.

READ WITH CARE

Branded estates include clubhouses and township roads that Humming Clouds does not. Sources: 99acres, PropNewz, resale listings.

Come for sunrise. Decide over breakfast.

Photographs cannot do this land justice. Visit early, when the light is low and the hill is clear.

01 Book an early-morning slot, with pickup from Bengaluru if you like.

02 Walk your shortlisted plots with our team and stand where your home would.

03 See every document and ask every question, over breakfast.
